QUICK STRAPS

How many times have you wished you could quickly remove and replace your goggles with just one hand? Now with Quick Strap®, you can.

Next time you're waiting on the starting line, trying to start your bike or just taking a break, simply release Quick Strap® tab and let your goggles hang. They will be safe from damage and won't fog up. When you're ready to ride, just grab the Quick Strap® tab with your left hand, pull goggles over eyes and press to Velcro® patch on helmet.

Just un-snap from the button to completely remove the goggles from the helmet. To keep your goggles safe while not in use but still on the helmet, you can wrap them around the back of the helmet, or up over the visor. Secure them back on the Velcro and they stay safe and in place.
