

SUMMER 12

**JETPILOT**

## **WELCOME TO SUMMER 2012**

The Jetpilot girl is flirtatious and excitable and not the type to just sit on the sidelines, she is keen to be active and will take on anything with a smile, she is confident that Jetpilot will have her back with her every move and help to define her key look.

The range doesn't just come together overnight, our team here at Jetpilot have extensively researched the action sports industry to produce for you a range that is truly inspired by the MX, Wake, Surf and BMX scenes.

We live and breath these lifestyles.

This Summer 2012 Girls range we have given you more detail, more vibrant colours, new flattering fabrics and some cheeky new styles, our creative original art and fresh corporate graphics give this range a fun and outgoing feel, it's a refreshing look for the girls action sports industry and one we hope you will love.

Our designers have put together this range for you to embrace, love and thrash to bits. it has been constructed so you can blend trends, and mix and match pieces, that way you can always pull off your signature look.
