

Riding your UTV alone or with friends, the Titan will always be your best partner, adapting through any situation quickly. See better with the 210° field of vision. Now talking, drinking and breathing will be easier from dawn to dusk. All these aspects will be facilitated and optimized by the new CKX Titan helmet. You'll be able to ride to the limit and live every moment to the fullest without any worries from your equipement.

The Titan will literally make heads turn. The true MX DNA will create an instant WOW. Need to stop? No problem! The muzzle opens, the goggles in position, you're now free to take a break, but you're ready to go before you could even shout TITAN!

The most versatile of all! The Titan guides the most adventurous ATV enthusiasts. The Titan creates the ultimate experience switching from one setup to another in order to allow the rider to eat, drink, talk and laugh to make sure he gets the most from every ride. The CKX Titan will be the best partner to face everything mother nature can throw at it, making every day a perfect rinding day.

CKX A FAMILY OF ENTHUSIASTS

Originating from our deepest roots, our constant craving for innovation propelled us towards unchartered territories. This commitment to continuously improve the experience of enthusiast only reinforces our innate ability to work as a team, to achieve our ultimate goal: the highest level of excellence. Now it's time for you to take advantage of this, CKX wear your passion.

TITAN

THE LOOK OF A OFF-ROAD HELMET WITH THE ADVANTAGES OF A MODULAR HELMET.

The 210° goggles and the TITAN helmet design combine to ensure a optimal seal from dust when the removable muzzle is in place. In addition, the unique design of the goggles and helmet provide an unrivalled 210° field of view. This is a first for a helmet in this category.

- + OPTIMAL SEAL FROM DUST
- + EXCEPTIONAL FIELD OF VIEW
- + REMOVABLE MUZZLE
- + LIGHT: FIBER GLASS COMPOSITE CONSTRUCTION | 1430g

165° FIELD OF VIEW

Conventional goggles in powersports offer an average peripheral view of 165°.

REMOVABLE MUZZLE

THE MOST VERSATILE MODULAR OFF-ROAD HELMET.

The removable muzzle technology offers numerous new opportunities in this class of helmet. Operated with only one finger, using a sturdy, cleverly designed mechanism, this quick release system is ergonomic and very easy to use. The muzzle can be opened or removed from the helmet, at any time to offer a better control on aeration. Using this new technology, the rider can control his way of breathing and communicating much more easily with the helmet on.

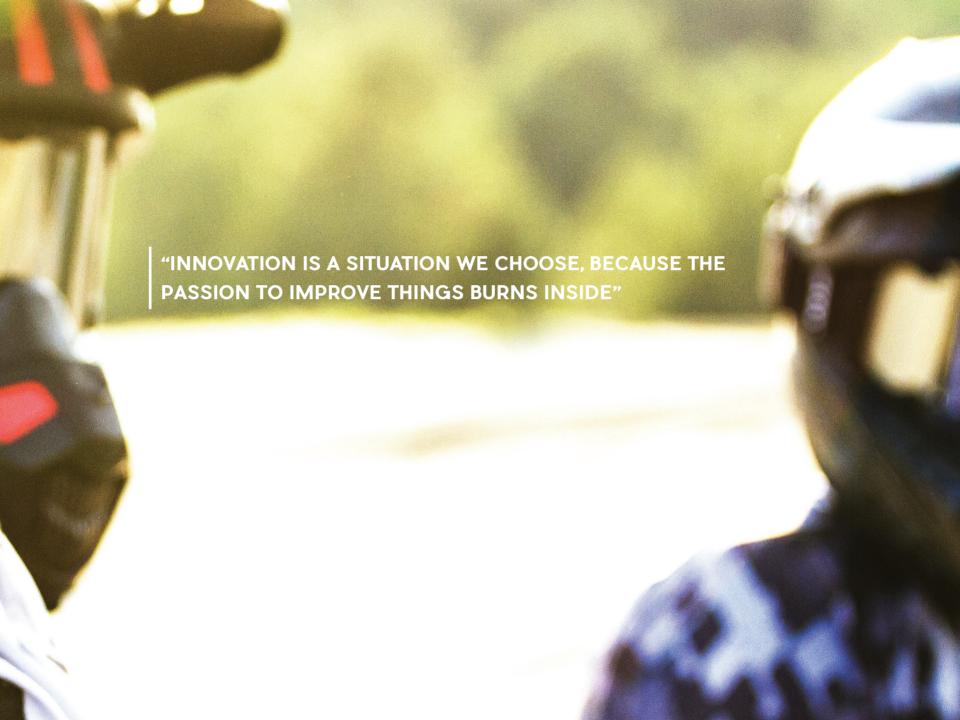

The goggle attach system allow to free your face in a single movement.

Thanks to its patent pending system, you'll never have to worry about taking off your goggles. The versatility of the fixation allows the rider to place his goggles in three different goggle positions: on top of the helmet, hanging on the side or in riding position in the eye port.

TECHNICAL FEATURES

- FIBERGLASS COMPOSITE CONSTRUCTED SHELLS
- * 2 SHELL SIZES (XS TO L / XL TO 3XL), 4 EPS SIZES : PERSONALIZED FIT
- AERODYNAMIC PEAK DESIGNED TO PROTECT YOU AGAINST THE ELEMENTS
- * REMOVABLE/WASHABLE INTERIOR LINERS AND CHEEK PADS
- PROCLIP QUICK RELEASE MECHANISM
