WHATEVER THE ADVENTURE A RIG WILL GET YOU THERE

The Rig 9800 Gear Bag features a Structural Load Equalization Deck (SLED™) wheeled chassis system, wide mouth lid opening for easy access to all compartments and specialty pockets, and iFOM integrated foam panel construction throughout the entire bag for added protection. It also features a main compartment with dividers for custom organization, multiple zippered pockets for garment, shoes, and accessories, and oversized heavy duty treaded wheels.

RIG 9800

The Rig 9800 Travel Bag stands alone as the king of all gear bags. Its durability and impressive list of features are legendary and the reason the world's best riders have used it for almost 20 years. This flagship OGIO bag is the industry standard. Whether it's a trip to the track or a trek across the globe, grab the Rig for your next adventure.

- SLED (Structural Load Equalizing Deck) System for increased durability and handling in the harshest of conditions
- Wide mouth LID opening for easy access to all gear compartments
- Large main compartment with adjustable dividers and padded helmet chamber
- Several multi-use LID compartments for apparel and smaller gear
- iFOM (integrated foam) construction throughout for added gear protection
- Heavy duty oversized wheels with extra clearance
- Secure hold compression strap system
- Telescoping pull handle

PROSPECT

No challenge is too mighty for the Prospect Gear Bag. The large top opening maximizes access and holds all of your gear with ease. Oh, and if you thought this bag couldn't handle your boots, too -- think again. Once you've filled up the main compartment, toss your boots into their very own pocket so they keep the mess to themselves. The Prospect Gear Bag is made with heavy duty 600D fabric and eco-friendly PVC backing that makes it almost as tough as you. So next time you're ready to ride, bring the bag that you trust to keep up with you - the Prospect Gear Bag.

STYLE: 121022_36

- Large main volume opening maximizes access
- Boot pocket to keep dirty and clean items separate
- Detachable shoulder strap
- Heavy duty 600D fabric with eco friendly PVC backing

THE WIND IS BUTTER **THIS IS YOUR KNIFE**

If you've ever ridden with a typical backpack, you know that loose fabric, hanging straps, and jangling metal zippers are a recipe for disaster. Regular packs can become a virtual tasmanian devil strapped to your back, violently thrashing, flapping, and clawing at you, causing massive amounts of wind drag. The No Drag Mach Series is constructed from our "Single Shot" high grade molded exterior and a unique shoulder gasket that conforms to your body helping to reduce wind drag. This, along with unparalleled storage and organization make the Mach 5 the only way to travel on two wheels.

MACH 5

The Mach 5 Motorcycle Backpack with No Drag Technology is the most comfortable, functional and aerodynamic riding pack on the market. The removable fleece-lined hip accessory pouch provides extra carry room, and the large main compartment features adjustable load dividers and a deluxe organizer panel with stretch mesh dividers. It also includes a padded interior helmet visor sleeve, and an U-shaped expansion gusset to increase carrying volume. This fully-loaded Mach comes equipped with a laptop sleeve and dedicated shoe storage all within the most ergonomic design.

STYLE: 123006_

- Streamlined molded exterior is water resistant and will not deform from wind shear
- Shoulder gasket conforms to body and increases aerodynamics
- Bolstered back foam profile increases air ventilation
- Soft neck shoulder straps increase comfort while riding and will not scratch helmet exterior
- 360-degree reflective logo and safety piping
- Removable fleece-lined hip accessory pouch
- Off center removable hip belt won't scratch gas tank
- Zippered fleece lined personal electronics/valuables pocket
- Large main compartment with adjustable load divider and multiple interior storage compartments
- Deluxe organizer panel with zippered security pocket and stretch mesh dividers
- Dedicated stretch mesh shoe storage for the commuting professional
- Padded interior helmet visor sleeve-shaped
- U-shaped zippered expansion gusset increases storage volume
- Ergonomic, padded and fully adjustable riding specific shoulder straps with quick release exit buckle
- Concealed aerodynamic carry handle
- Fully adjustable and removable no slip sternum strap
- Integrated removable helmet carry strap
- Interior padded laptop sleeve with elastic closure fits most 15" laptops
- Padded iPad/tablet/e-reader sleeve
- Hydration ready

MACH 1

The Mach 1 Motorcycle Backpack with No Drag Technology is true to its name, with a streamlined single shot molded exterior that won't deform from wind shear. The shoulder gasket conforms perfectly to your body, increasing your aerodynamics. It has a large main compartment with interior storage -- even an organizer panel to keep it all in place.

STYLE: 123008_36

- Streamlined single shot molded exterior is water resistant and will not deform from wind shear
- Shoulder gasket conforms to body and increases aerodynamics
- Removable off center hip belt won't scratch gas tank

MACH LT

The Ogio No Drag Mach LT is born from Ogio's long heritage of high performance on bike products designed for people that ride. EVA molded front panels provide a more aerodynamic profile, the adjustable shoulder harness provides great fit and the air flow back panel is made for comfort. The pack features separate padded lap top compartment, large main compartment and front quick access pocket. Best of all, this pack looks equally good both during your ride and after.

STYLE: 5919324OG

- EVA molded front panels for more aerodynamic profile
- Fully adjustable shoulder harness and sternum strap for great fit
- Padded air flow back panel for comfort and ventilation
- Zipper fasteners eliminate chatter and provide added security
- Padded laptop compartment fits most 15" laptops
- Large main compartment
- Reflective piping provides added visibility
