Short Spiral Antenna
BBP# 41-180, pg 8

“I have broken the long antenna 3 times. Enough was enough, started to look for a complete replacement that would not bend in the wind or get caught in the garage door. The long antenna was a bad idea. I installed this antenna in 10 minutes. Six minutes was looking for the correct size Allen key and socket. Both are metric, set the Allen screw in the antenna and tighten. Cut the antenna whip off just above the nut. Use a #7mm socket to remove the old antenna nut. Simply screw the new antenna into the nut, pop on the grommet cover and its done. I found that this antenna actually had better reception. Short out of the way antenna. Couldn't be happier.”
- Can-Am RT Limited

Multi-Function LED Trunk Light
BBP# 41-172, pg 27

“Looks very good on my wife's RT Limited. It adds a huge amount of visibility and safety to the machine.”
- Can-Am RT Limited

Models available in Chrome or Black finish including Bluetooth capable sound systems

13-250BK (components shown)

13-252BT (Bluetooth components shown)

Waterproof Sound System

This compact high fidelity waterproof sound system is available in either chrome or black, both styles offer a Bluetooth or non-Bluetooth option. All options include our waterproof volume control, which features a universal 3.5mm aux-in connection for iPod, mp3, and satellite radio. Our waterproof 40 watt class D amplifier and custom engineered waterproof 2 1/2" speakers deliver unprecedented sound quality that is unmatched by more expensive systems. Multiple mounts for 7/8" or 1" handlebar, mirror, and flush mount brackets are included with each kit allowing you to mount this kit to almost any ATV/UTV/Motorcycle/Snowmobile or other power sports vehicle.

4-1/2" Two-Way Speaker Kit

These water resistant 2-way speakers feature a suspended tweeter, a Butyl rubber surround, and a plastic cone to offer improved sound quality compared to the OEM speakers. Measuring in at 4 1/2" wide by 2 1/4" deep these 30 watt 3 ohm speakers are available as a full kit or as replacement speakers.

Fitment	Part No.	Unit
Replacement Speakers fits Can-Am Spyder F3-T & F3-LTD	13-102	Pair

4-1/2" One-Way Midrange Speaker Kit

These 30 watt speakers feature enhanced weather resistance over the OEM by adding a plastic coating over the inner cones. Measuring 4 1/2" in diameter and 2 1/8" deep, these speakers match the sound characteristics of the OEM speaker. Plugs into existing wire harness for easy installation.

Fitment	Part No.	Unit
Replacement 30 Watt Speakers fits Can-Am Spyder F3-LTD	13-101	Pair

Short Spiral Antenna

This Short Spiral Antenna from Big Bike Parts® is a great replacement for those long stock OEM whips that do not work with covers, get in the way of low overhead garage doors and are just a nuisance. This 7 1/2" tall antenna is easily installed as a direct replacement for Can-Am RT, Indian, Victory and Harley AM/FM antennas. Includes removable M6-1.0 threaded screw to mount on any model needed.

Universal Beverage, Phone/GPS and Gadget Bar Mount

Universal handlebar mount attachment for Big Bike Parts® top selling Beverage Holder, GPS/Phone Holder and Gadget Bar is now available for Can-Am. The universal handlebar clamp easily mounts to 7/8" or 1" handlebars to secure the unique receiver latch on the handlebar, allowing any of the devices to easily snap into place. This simple but effective design is what has made these products an affordable market top seller. The Beverage Holder, part # 41-165 for Driver and # 52-836 for Passenger Armrest, is made from durable chrome plated steel with Show Chrome Accessories® quality chrome finish for unequalled performance. Its rubber lined interior helps secure thermoses, cups and most bottles in place. The Passenger Armrest Mount works with Big Bike Parts® Passenger Armrest Kits BBP # 52-771, 52-677A, 52-672, 2-477, 41-159 and 41-309 as well as Markland and other armrests. The GPS/Cell Phone holder accommodates devices up to 3 1/2" wide with its unique expansion tabs. The rubber gripped back and foam side tabs hold your equipment in place for easy use. Added security is available with a set screw to ensure it does not walk away while you are away. The Gadget Bar delivers 4 1/2" of width to place multiple devices within reach. The 7/8" Gadget Bar easily accommodates existing accessories you might already have.

Dual Lock™ Fasteners 1/2" diameter	3-109	20pk.

Cruis Wing™ Accents

Decorative tapered chrome steel accent strips give the feel of winged flight. Available in one length to be used as fairing, fender or side cover accents on both touring and cruiser motorcycles, trikes and trailers. Attaches with double sided tape provided.

U.S. Design Patent #D442,121.

Fitment	Part No.	Unit
220 Accent Grille (8-3/4" long)	52-532	Pair

General Accessories

NEW Plug 'N Go Trailer Wiring Harness for Can-Am F3

Big Bike Parts® has taken its popular electronically isolated trailer wiring system to the Can Am and matched all of the connections to OEM for an easy Plug 'N Go trailer harness for the Can Am F3 Tour and F3 Limited 2016 and newer models. This 5 wire system is ready to go except for the connector to mate to your trailer of choice. Plenty of zip ties will keep it secure and off the ground.

Fitment	Part No.	Unit
Can-Am Spyder F3T & LTD 2016-newer	41-362	Each

Trailer Harness

Big Bike Parts® is known for its quality Plug 'N' Go electronic trailer wire harnesses and the protection they afford. This Electronically Isolated Trailer Wire

Harness for the Can-Am Spyder RT isolates the load between the motorcycle and trailer through the use of four fully automatic circuit breakers to prevent electrical feedback. The heavy duty circuit board can handle a continuous 16 amp steady load, with further protection provided with a separate 15 amp inline fuse from the power source. Easily plugs into the OEM Can-Am RT wire harness with no on bike splicing required. Works with 5-pin trailer connectors, not included.

Fitment	Part No.	Unit
Can-Am Spyder RT	41-162	Each

Universal Trailer Wire Harness

As motorcycles get more complex with electronic ignitions, fuel injection, ABS braking and other sensitive electronics, isolating electronics between your motorcycle and trailer is critical for safe riding. Big Bike Parts® Electronically Isolated Trailer Harnesses for the Honda Gold Wing and the Can-Am Spyder have set the standard for trailer to bike protection for years. This same Electronically Isolated Trailer Wire Harness is now available as a Universal fitment for all other motorcycles. Electronic backflow is eliminated with heavy duty self-setting relays to protect your motorcycle. This five wire system provides direct connection for running, brake, left turn signal, right turn signal and ground. Weather resistant gel sealed splice connectors are included to make an easy and durable connection for long term use.

Fitment	Part No.	Unit
Universal Electronically Isolated Trailer Wire Harness	16-125	Each

Electronic Fuse Block

Big Bike Parts® delivers a game changer in the standard for electrical accessory connections on motorcycles with our new Electronic Fuse Block. Designed with eleven terminal tie in points which are electronically protected by nine separate relays and fuses. It is a compact 1 1/8" x 2 3/4" x 3 3/4" which easily mounts to the battery, eliminating all other direct battery connection needs and making accessory connection a breeze. The bike's electrical system is protected by a 20 amp fuse and separate 30 amp relay to isolate all your electrical accessories. Includes 3 keyed power connections, 2 always on power connections protected by a combination of 5 and 10 amp fuses. Separate left and right turn signal connection terminals, 2 running light and 2 brake light terminal blocks, all protected by four 8 amp 277 volt automatic switch relays for complete isolation. This universal wiring accessory is a must have when adding electrical accessories to today's modern electronic oriented bikes.

Fitment	Part No.	Unit
Universal Electronically Isolated Fuse Block	13-311	Each

Air Pressure Gauge

A necessary item to keep your tires performing best. This economical gauge measures 0 to 50 psi.

Fitment	Part No.	Unit
Air Pressure Gauge	4-220	Each

Lock-On Valve Stem Extension

It can be frustrating to reach that hard to get to tire valve stem to get the air chuck on to check and add air. Big Bike Parts® has simplified this process with their Lock-On Valve Stem Extension. This convenient 24" flexible nylon air hose locks on with a snap to your tire valve stem extending access 24" allowing easy access for checking and filling any tire. This Lock-On Valve Stem Extension actually improves safety by making it easier to do routine pressure checks and fills. The braided nylon hose is durable for years of use. Designed for convenience with a 24" long nylon air hose with a universal lock on stem connection.

Fitment	Part No.	Unit
Lock-On Valve Stem Extension	5-803	Each

Air Filters

Big Bike Parts® is a distributor for K&N® Air Filters for Can-Am RT/RS Spyder Air Filters. Also available are Big Bike Parts® branded Air Filters for the Can-Am GS/RS/ST/RT Spyder models.

Fitment	Unit	Part No.	MSRP	Part No.

Magnetic Drain Plugs

Magnetic Drain Plugs are a great maintenance tool. They attract and hold ferrous metal particles that are floating in your fluid. Having ferrous particles on the magnetic plug can be an indicator of an impending problem of cams, rings, rods or shafts that may need servicing.

Description	Fitment	Part No.	Unit
M14 x 1.5 Magnetic Drain Plug	For Gold Wings, Valkyrie, VT750, PC800, VT1100, VT600, NT650, GSX400, GSX550, GSX600, GSX750, GSX1000, YZF750, XVS650, XV750, XVS1100, V-MAX, XJR1300, FJR1300, Can-Am Spyder RT 2014 [all other Spyderys requires both BBP # 5-301 & 5-302]	5-301	Each
M12 x 1.5 Magnetic Drain Plug	For CN250, VFR750, NX250, CBR1000, CBR600, CBR900, VTX1300, VTX1800, VN800, VN1500, VN1700, Can-Am Spyder GS, ST, RS, RT - 2013 [all other Spyderys requires both BBP # 5-301 & 5-302]	5-302	Each

Oil Filter Can-Am

K&N® Powersports Cartridge Oil Filters are designed to satisfy the needs of racers and engine builders as well as the average motorcycle or ATV owner who wants the best oil filter available. K&N® Powersports Oil Filters trap harmful contaminants while the filter's construction allows for high oil flow rates. K&N® Oil Filters are covered by a limited warranty to be free from defects in materials and workmanship when installed and replaced using engine and equipment manufacturer's recommended service intervals.

Fitment	Part No.	Unit
For Can-Am Spyder GS/RS/RT, Buell 1125	KN-564	Each

Soft-Tie Nylon Tie-Down Straps

These 18" long looped nylon tie-down straps are rated 3,500 lb. assembled strength.

Description	Part No.	Unit
Soft-Tie Nylon Tie-Down Straps	4-238	Pair

Double Sided Tape

Apply new, fix loose or replace old tape applications using this roll of double-sided tape. Tape comes in 6.5 ft. rolls at 7mm wide.

Part No.	Unit
4-214	Each

Safety Tags

'Not Safe to Ride' tag is designed to be used when maintenance is being performed. Made with a durable, hi-visibility red polyester web which is stain and fade resistant for years of trusted use. The mechanics safety flag is a low cost reminder that could potentially save you hundreds of dollars in unnecessary repairs. Comes in a pack of 6.

Description	Part No.	Unit
Safety Tags	4-255	6 pk

UltraGard® The Classic Series

Classic Series Features

The Classic Series line of covers offers exceptional value without compromising the features you have come to expect from UltraGard®. Whether you need to cover a large touring, bagger, trike, can-am, cruiser, street bike, scooter or a trailer, the Classic Series is a great value.

- **Tailor fit designs** take into account the natural stance of your motorcycle.
- **Heavy duty water resistant** polyurethane coated polyester provides excellent protection against weather, dirt and pollution.
- **UV stabilized** to maximize fabric life and minimize color fading from sun exposure.
- **Scorch resistant heat shield** protects the cover from hot exhaust pipes and allows use of cover immediately after riding.
- **Double stitched**, four fold interlocking seams to provide the best durability and a water tight closure.
- **Zippered windshield and sissy bar pockets** on cruiser covers expand to fit many bike configurations.
- **SoftTek windshield liner** to prevent scratching.
- Large **rust-proof grommets** prevent tearing.
- Sewn **elastic hem and bungee cord** ensures a tight custom fit.
- High visibility **reflective logo** adds safety while parked.
- Convenient and **compact storage pouch** is easily portable.
- Five year limited warranty.

Premium Tank Pouches

This unique tank map and pouch system has 4 distinct items that can be interchanged to make 3 unique storage systems, making this system a true multifunctional product. The large main pocket is zippered and measures 5-1/4"W x 7"H x 1-1/2" and slips over the glove box door. Its back is felt lined to avoid scratches to your bikes finish. The pouch contains our Buddy Lock system on its face allowing you to lock in the separate smaller 3-1/2"W x 6"H x 1"D pouch that comes with a UV stabilized clear face to allow visual access to cell or GPS screens. Quickly remove the smaller pouch with a twist and replace it with the 10-1/2"W x 12-1/4"H Map pouch, which easily holds any paper map or even a full size iPad to provide a moving map. Also included is a belt attachment that allows the smaller pouch to clip to your belt allowing you to easily carry a cellphone, glasses or other necessities.

NEW Tank Protectors

Hopnel™ Sewn Products brings wear protection to the Can-Am F3 tank area with their popular Gas Tank Mini Bra and Lower Mini Bra Extension for added protection at the knees. The unique Hopnel™ mini bras protect the gas tank fairing area from scuffs, zippers and buckle scratches, all while accenting the natural design lines of the Can-Am tank. Added lower bras extend below the mini bra to protect where the knees ride against the tank area making these accessories a great complement to the 2015 and newer F3, F3T and F3LTD. Made in the USA.

Front Cowl & Trunk Bra Set

Hopnel™ expands its popular Can-Am Spyder RT Trunk Bra Set to include 2010-2013 models. This attractive, finish saving accessory is designed to reduce the nicks, chips, and bugs that pummel the front cowl and front trunk of the Can-Am RT. This two piece Front Cowl and Trunk Bra Set has a tailored bra for the front trunk and another tailored sewn wrap for the front lower intake cowl. The Front Cowl and Trunk Bra Set greatly reduces the road rash the Can-Am RT takes, and provides a clean blacked-out look to the front cowl without covering the chrome. Both the upper and the lower bras wrap into the front trunk lip and are held securely in place with special adhesive backed hook and stitched loop. Available in black only and made in the USA.

BIG BIKE PARTS®

TRU-SPEC® Concealed 24/7 Shirt

As many motorcycle enthusiasts enjoy target shooting as well as exercising their right to carry, Big Bike Parts® has teamed with TRU-SPEC® to bring market proven tactical apparel to the Powersports Industry. TRU-SPEC® has over 60 years of manufacturing expertise delivering market leading law enforcement and public safety clothing to the market. TRU-SPEC® products are used and proven daily by law enforcement and our military and will be available through Big Bike Parts®. Available now are their form fitted 24-7 Series® Concealed Holster Shirt designed for the best in concealment with a comfortable custom polyester spandex blend. This tailored design reduces sagging by supporting the weight of the concealed object evenly across the body of the shirt. The dense outer mesh layer obscures the profile of what you are concealing. Securely conceals small, medium and most full size handguns, magazines, electronics, wallets, passports or even medical devices in the left and righthand pockets. Heavy polyester reinforces the pocket bottom reducing wear and aids in getting small items out. The moisture wicking material designed with flat-lock seams reduces friction and chafing.

Anti-microbial treated fabric extends daily wear. Available in black or white in small to XXL sizes. The comfortable way to carry most anything concealed. Gunnery Sgt. R. Lee Ermey, USMC (Retired) known around the world as "The Gunny" is the official celebrity spokesperson for TRU-SPEC® line of tactically inspired apparel making them "Gunny Approved".

Windshield Cleaner & Polish

As a windshield manufacturer for all types of motorcycles Big Bike Parts® knows what it takes to keep windshields performing at their best. After testing several cleaners extensively, Big Bike Parts® found Slipstreamer's plastic cleaner and polish to be the top performer due to its rich cream easily cleaning and restoring the optical clarity of plastics. Its ease of use on all plastic surfaces, especially windshields, brings back the new luster so often lost with many other cleaners. Big Bike Parts® now offers this superb cleaner to all its customers.

LampGard™ Can-Am RT

The LampGard™ line of headlight protectors from Big Bike Parts® has been saving expensive headlights from errant stones and debris since 1992. The most recent addition is a set of LampGard™ headlight protectors for the popular Can-Am RT. Each LampGard™ protector is molded to match the headlight shape and produced from extremely durable acrylic. LampGard™ truly protects by creating an air space between the LampGard™ and your headlight which becomes a void to help absorb any impact before it damages your headlight. Each LampGard™ is held in place by 4 pairs of round dual lock clear fasteners that have hi-temp adhesive to stay put on the headlight in all weather conditions. For the Can-Am RT 2010-present. Sold as a pair. Made in the USA.

This new trunk light offers running light, brake light and turn signal functionality in a single compact unit. It uses small ultra-efficient high intensity LED's, offering superb brightness with low power usage. The LED assemblies are enclosed in weather resistant pods that are sealed to provide all-weather protection and maintenance free lighting. Superior functionality combined with a stylish contoured chrome housing that mounts low enough to allow fitment of luggage racks. Attaches with double sided tape for a secure installation. Requires drilling to run the wire lead which mounts to existing LED wiring with T-Taps, no additional components are needed.

Mini Driving Lights - LED or Halogen - Chrome or Black Satin

Big Bike Parts® market leading 2 3/8" diameter die cast Mini Driving Lights are available in either Halogen or LED version in Black Satin Powder Coat or Chrome finish. The Halogen is powered by a bright 50 watt MR16 Halogen bulb, while the LED is powered by a high-output, high intensity Litespan LED reflector bulb producing 490 Lumens from its 12 volt 7 watt 6 LED 5000K bright white color. These non-dimmable Litespan LEDs provide a concentrated 20° beam putting more light down the road in front of you for a true Mini Driving Light capability.

Universal Light Wire Harness Kit

Big Bike Parts® offers an easy solution for connecting driving or fog lights that do not come with a wire harness by offering our wire harness kit without lights. This Universal Wire Harness comes with two illuminated rocker switches allowing you to choose from either the rectangular 1/2" x 3/4" cut out switch or 7/8" round switch. Includes a separately fused power source and isolation relay, making this wire harness kit truly separate from the vehicles electrical system.

Chrome Handlebar Cover

Show Chrome Accessories® quality is evident on this new Chrome Handlebar Cover for the Can-Am RT from Big Bike Parts®. This ABS accessory fits like an OEM part and is held secure with double sided tape. The area over the bars has nice recessed contours to match the OEM bar styling. The pre-marked cutout for the GPS pendant plug access makes adding the OEM GPS system a snap. Fits RT 2010-present.

Front Cowl Scuff Accent

Big Bike Parts® chrome and rubber scuff wear bar accent; 41-160 is held securely in place with double sided tape and four screws. The rubber wear strips are secured in place by screws to minimize potential loss. 41-169 is held securely in place with double sided adhesive tape. Each rubber wear strip is held securely in position with 2 locking tabs, double sided tape and a set screw to hold firm against stronger impacts. Big Bike Parts® includes for all wear bars an additional set of EPDM rubber wear strips as replacement when the first set of rubber wear strips get too worn.

Air Deflectors

These Above and Below Mirror Air Deflectors are a must have comfort accessory. They easily mount to the existing OEM deflectors by attaching chrome hardware that essentially extends the OEM deflectors to Air Deflectors that really work. These new Air Deflectors give control of air by deflecting away or pivoting up to 130 degrees to divert air directly into the riding pocket to help keep the rider cool. The Above Mirror Air Deflectors are 4" x 7" while the Below Mirror Air Deflectors are 5" x 6", both made from clear acrylic to match the OEM. Fits 2010 and newer Can-Am Spyder RT.

Can-Am Accessories

NEW Smart Mount™ Quick Detach Backrest for Can-Am F3

Big Bike Parts® new line of quick detachable Smart Mount™ Backrests includes Can-Am F3/S/T/LTD. Big Bike Parts® unique slide lock hardware system allows the backrest pad mount to easily detach and be removed through the seat opening that provides a true clean look when not installed. As with all Smart Mount™ Backrests, riders enjoy 3” of horizontal pad adjustment and 1” of vertical pad adjustment to ensure a comfortable ride. Made in the USA.

Fitment	Part No.	Unit
Quick Detach Smart Mount™ Backrest with Larger Full Support Backrest Pad. For Can-Am F3/S/T/LTD 2015 - newer	41-308	Kit
Hopnel™ Backrest Organizer. Fits BBP 41-308	H41-168PO	Each

NEW Deluxe Armrest System

This Deluxe Passenger Armrest set for the Can-Am F3 Spyder has custom CNC billet clamps mounted to the passenger handrail, providing a clean mount that is out of the way, allowing the armrest arms to pivot freely for easy access on and off the bike. Includes stainless steel hardware and Show Chrome Accessories® bright chrome finish for long term durability. Includes all required hardware to mount along with complete instructions.

Fitment	Part No.	Unit
Can-Am Spyder F3 2015 - newer	41-309	Kit

Detachable Smart Mount™ Conversion Kits

With the redesign of Big Bike Parts® Smart Mount™ Backrest systems to a quick detachable design, the current users of past Smart Mount™ systems can make theirs detachable with a single hardware change. This includes conversion kits for the GL1500, GL1800 and Can-Am RT to make the simple change over. Made in the USA.

Fitment	Part No.	Unit
Can-Am Spyder RT to Convert BBP # 41-158 & 41-168 to Detachable	941168H	Kit

Smart Mount™ Quick Detach Backrest

Big Bike Parts® expands on the adjustability of its Smart Mount™ Backrests with a quick detachable design. The backrest seat mount and backrest mount have been redesigned to incorporate a slide lock system that allows the backrest mount to attach through the seat opening onto two lock bolts that easily secures the backrest. A little lift and pivot forward or back, depending on fitment, allows the entire backrest pad and assembly to be removed in seconds with no above the seat hardware visible. The Smart Mount™ Backrest for Can-Am RT comes in two different pad sizes with our original Backrest pad measuring 8-3/8” x 6” and our larger full support Backrest pad measuring 12-3/8” x 7”, providing each rider with an option to fit their needs best. Smart Mount™ Backrest riders enjoy 3” of horizontal pad adjustment and 1” of vertical pad adjustment. Made in the USA.

Deluxe Armrest System

Big Bike Parts® Passenger Armrest system for the Can-Am RT mounts underneath the rear of the seat to the frame, providing a very stable and secure anchor point. This allows the positioning of the cast chrome swivel mounts to the side of the passenger seating area. The chrome tubular support arms pivot completely out of the passengers area for easy access. The armrests match and work with Big Bike Parts® Smart Mount™ Backrests, # 41-158A & 41-168A above.

NEW Tour Luggage Rack for Can-Am F3

The wait is over for a true Tour Trunk Rack for the Can-Am F3T and LTD with the introduction by Big Bike Parts® of its latest Deluxe Tour Trunk Rack. This generous 18 3/4" x 12" trunk luggage rack easily accommodates luggage bags and its mounting legs will align with the OEM mounting points to make an easy upgrade if you already have an OEM rack installed. Big Bike Parts® custom tapered mounting spacers help spread the load and easily conform to the trunks curve to alleviate stress and cracking. The rubber washer under each spacer not only protects the bikes finish, but ensures a water tight fit to the trunk lid. Designed specifically for the Can-Am Spyder F3T and LTD trunk on 2016 and newer models. Available in either Show Chrome Accessories® Chrome Finish or Black Satin Finish.

Tour Rack Risers

These Tour Rack Risers provide additional clearance below your rack, granting you easy access for cleaning, or installation of other accessories. They provide an extra 5/8" clearance and universally fit 1/2" diameter tubes with a custom recessed bevel. Comes as a complete set of 4 Rack risers with two 4 x 6mm (M6) bolts and 4 x 1/4-20 bolts, to replace the shorter bolts that come with most racks. For the best fit, place the risers between the rack leg and the angled feet that come with the Show Chrome Accessories racks.

Tour Rack Riser for 1/2" Tube	Black	52-837BK	Set

Can-Am Accessories

Trailer Hitch

Big Bike Parts® Trailer Hitch assembly for the 2008-2014 Can-Am Spyder has a durable black powder coat finish and mounts without removal of the rear tire or its axle. Once installed removal is easy with only six bolts to pull if you want the hitch assembly off for a special trip or occasion. Includes all hardware and instructions. A mud flap can be easily mounted with included brace brackets and mounting holes. Mud flap not included. The receiver mount has a 3/4" hole for your choice of ball type.

Fitment	Part No.	Unit
Can-Am Spyder RT, RS, ST, GS, F3T & F3LTD	41-164	Kit

Mudflap Extension Accent

The new Mudflap Extension Accent looks so natural on the Can-Am RT it should be a stock accessory. Big Bike Parts® Mudflap Extension Accent extends the OEM rear mudflap by 5", minimizing debris kick up to following riders and is a needed requirement when pulling a trailer to reduce chipping. Attaches easily with double sided tape and 2 screws. Works with most trailer hitches, including Big Bike Parts® 41-164 Spyder Hitch.

Fitment	Part No.	Unit
Can-Am Spyder RT 2010 - newer	41-166	Each

NEW Plug 'N Go Trailer Harness for Can-Am F3

Big Bike Parts® has taken its popular electronically isolated trailer wiring system to the Can-Am and matched all of the connections to OEM for an easy Plug 'N Go trailer harness for the Can-Am F3 Tour and F3 Limited 2016 and newer models. This 5 wire system is ready to go except for the connector to mate to your trailer of choice. Plenty of zip ties will keep it secure and off the ground.

Fitment	Part No.	Unit
Can-Am F3T & LTD 2016-newer	41-362	Each

Trailer Harness

Big Bike Parts® is known for its quality Plug 'N' Go electronic trailer wire harnesses and the protection they afford. This Electronically Isolated Trailer Wire Harness for the Can-Am Spyder RT isolates the load between the motorcycle and trailer through the use of four fully automatic circuit breakers to prevent electrical feedback. The heavy duty circuit board can handle a continuous 16 amp steady load, with further protection provided with a separate 15 amp inline fuse from the power source. Easily plugs into the OEM Can-Am RT wire harness with no on bike splicing required. Works with 5-pin trailer connectors, not included.

Fitment	Part No.	Unit
Can-Am Spyder RT	41-162	Each
